

A Faithful Shepherd

Retirement is typically defined by its slower pace of life. But this isn't the case for Fr. Vitaliano Papais. In fact, he is striving to lead an active retirement as he continues to serve our community of faith. At 83, this faithful shepherd is living out his priestly vocation in his golden years by celebrating Mass as often as possible and making time for home visits, among other pastoral pursuits.

The Shepherds' Trust cares for retired priests who have always cared for us.
