

*Thanks to
you!*

For the past 25 years, The Shepherds' Trust has cared for the retired priests who always cared for us.

Your generosity has meant that since 1996, 230 retired priests received the income support they needed to enjoy modest, but dignified, lives.

They were offered companionship and emotional support when felt isolated. And they were cared for when they were sick.

On the 25th anniversary of The Shepherds' Trust, the retired priests of the Archdiocese of Toronto are grateful for your support.

The Shepherds' Trust
Caring for those who always cared for us

“My main driving point throughout my years was ensuring that the priests really and truly felt that the diocese would always be there for them.

That they were not forgotten.”

– Marisa Rogucki, former Coordinator of Retired Priests
(now retired herself)
